RANGER POINT UPGRADE

PEWVIEW M-LOK HANDGUARD

9.25”+ 13.25” VARIANTS

The PewView is our run-and-gun setup, built for everything from the flat range and competition to hard use around the ranch. The full-length top rail provides plenty of mounting space, while the carbon fiber heat shield helps keep your support hand cool during high round count shooting with a C-clamp style grip over the barrel.
