RANGER POINT PRECISION

KEY FEATURES

MACHINED BILLET
6061-T6 aluminum machined from solid billet stock for unmatched strength and precision.

SAME WEIGHT AS WOOD
Lightweight billet construction matches the factory wooden forearm for perfect balance.

M-LOK SLOTS
Compatible mounting points at 3, 6 & 9 o'clock for accessories, lights, and slings.

QD SLING MOUNTS
Three rotating QD sling swivel locations for any carry configuration in the field.

FLAT BOTTOM
Machined flat bottom provides a stable platform for bench rest and supported shooting.

ENHANCED ERGONOMICS
Slim profile with reduced handguard diameter fits naturally for all-day comfortable carry.

ROUNDED CORNERS
No sharp edges or corners. Smooth transitions for comfortable handling and carry.

MADE IN THE USA
Designed and precision machined in the United States. Zero compromise on quality.
